

NOTICE OF HIGHWAY IMPROVEMENT PROJECT

Chapman West

NH-30-5(139); C.N. 42929

Identified as **Chapman West**, this project would improve approximately 8.03 miles of U.S. Highway 30 (US-30) in Merrick County.

The proposed work would begin approximately 0.10 miles northeast of the Hall-Merrick County Line and extend east to approximately 0.40 miles east of the corporate limits of Chapman. Construction may begin and/or end approximately 500 feet ahead of or beyond the actual project limits to accommodate transitioning the pavement.

The purpose of this project is to preserve the transportation asset, improve the reliability of the transportation system and perpetuate the mobility of the traveling public. The need for the proposed project is based on the current condition of the roadway.

Proposed improvements on this project consist of widening the existing roadway surface for left-turn bays at the Lockwood Road and 7th Road intersections, milling and resurfacing the roadway and surfaced shoulders with asphalt, full depth pavement reconstruction of 4-to-2-lane transition area (approximately 1,000 feet), lighting work, and culvert work.

This project would not require the acquisition of additional property rights. Access to adjacent properties would be maintained during construction but may be limited at times due to phasing requirements.

Wetland and/or other water resource impacts are anticipated; no mitigation would be required.

Construction is tentatively scheduled to begin as early as summer of 2026 and be completed as early as winter of 2026.

This project would be constructed primarily under traffic with lane closures controlled by appropriate traffic control devices and practices.

NDOT has worked to develop this project to minimize inconvenience and hardships. We are dedicated to improving Nebraska's highway system, and with your help, we can achieve this goal.

Any questions or comments regarding this project should be submitted to: Sierra Luhn, Public Involvement Specialist, Nebraska Department of Transportation, P.O. Box 94759, Lincoln, NE 68509-4759; sierra.luhn@nebraska.gov; telephone 402-479-3103, fax 402-479-3989.

Information regarding the proposed project will be made available on the NDOT website at ndot.info/42929. For those without internet access, information may be obtained through the contact above or at NDOT Headquarters, 1500 Nebraska Parkway, Lincoln, NE. For further information, contact Wes Wahlgren, NDOT District 4 Engineer, 308-385-6265, wes.wahlgren@nebraska.gov.
