Subject: Floodplain Certification - Permit Not Required - Strang North NB project, 81-1(125), CN 42871

Brett / Tony,

This is your Record of Transmittal.

The Strang North NB project, 81-1(125), CN 42871, does not require a Floodplain Permit. This worked completed on this project will occur outside of the mapped floodplains for the community of Fillmore County.

FIRM Panels reviewed: 31059C 0315B, dated 09/16/2004
31059C 0325B, dated 09/16/2004

A copy of this certification document and supporting information will be placed in OnBase at CN 42871 > NDOT RD Environmental Floodplain Certification.
